

Our Cookie Statement

This website uses cookies. By navigating around this site, you consent to cookies being stored on your machine.

Introduction

This page set out the cookie policy of Aeropeople and explains how we use cookies on our website. By using our websites (www.aeropeople.com and www.aeropeopletraining.com), you acknowledge your acceptance of the provisions in our cookie policy. We may amend our cookie policy at any time and all changes will be made on this page. The changes will take effect once they have been posted on the website. Therefore, you should review these terms on a regular basis. By continuing to use the website after the posting of such changes, you will be deemed to have accepted those changes.

Use of cookies

A cookie is a small text file which is placed onto your computer (or other electronic device) when you access our website. We use cookies on this website to:

- Recognise you whenever you visit this website (this speeds up your access to the site as you do not have to log on each time)
- Carry out research and statistical analysis to help improve our content and to help us better understand our visitor and customer requirements and interests
- Make your online experience more efficient and enjoyable
- The information we obtain from our use of cookies will not usually contain your personal data. Although we may obtain information about your computer or other electronic device such as your IP address, your browser and /or other internet log information, this will not usually identify you personally. In certain circumstances, we may collect personal information about you, but only where you voluntarily provide it (e.g. by completing an online form)

In most cases, we will need your consent in order to use cookies on this website. The exception is where the cookie is essential in order for us to provide you with a service you have requested.

Description of cookies Aeropeople.com
